

**ADVERTISING** is the education of the public as to who you are, where you are, and what you have to offer in the way of skill, talent or commodity. To deceive is to beckon for the Commissioner in Bankruptcy. Nothing goes but truth. Let the truth be known about your business. The only man who should not advertise is the one who has nothing to offer in way of service or one who cannot make good. All such should seek the friendly shelter of oblivion, where dwell those who, shrouded in Stygian shades, foregather gloom, and are out of the game. Not to advertise is to be nominated for membership in the Down-and-Out Club -- So says Elbert Hubbard.
